

Adult Leaders' and Patrol Best Cobbler Cookoff

Saturday afternoon, there will be a contest to decide among the Adult Scouters and patrols who makes the best cobbler. Every unit needs at least one entry. The rule is that the cobbler must be prepared, start to finish, at the campsite. Method (campfire or charcoal, pot vs. dutch oven) is not part of the competition, but judges will be favorably impressed by extra effort devoted to showmanship in your presentation!
